NOPSI-2022-02-001

09 February 2022

MR. VON ERWIN G. AZAGRA
General Manager
Quezon II Electric Cooperative, Inc.
Infanta, Quezon

Dear Mr. Azagra,

Please be informed that we are scheduling power service interruption at your area, as per request of First Laguna Electric Cooperative, Inc. (FLECO) with below details:

Date/Day/Time	Line to be De-energized	Activity
February 16, 2022 0600H to 0700H	Lumban-Famy and Famy-Comon 69kV Line	Momentary interruption as per request of FLECO for the isolation of their Famy SS Substation for their uprating of 10MVA to 20MVA and Replacement of 69kV metering CT
February 16, 2022 1700H to 1800H *(Activities maybe finished ahead of time and momentary interruption may be adjusted earlier after the completion of activities)*		Momentary interruption for the reconnection of FLECO Famy Substation after the completion of their uprating and replacement activities

Thank you for your understanding and cooperation.

Sincerely,

PATROCINIO P. PALAD
Sr. Manager, District 2, South Luzon Operations & Maintenance
