NOPSI-2022-03-004A

30 March 2022

MR. VON ERWIN G. AZAGRA
General Manager
Quezon II Electric Cooperative, Inc.
Infanta, Quezon

Dear Mr. Azagra,

Please be informed that we are scheduling power service interruption at your area, details are as follows:

Date/Day/Time	Line to be De-energized	Activity
April 10, 2022/ 0700H to 1200H	Lumban SS 50MVA Transformer	MTDA to conduct re-testing of OLTC in preparation for the transformer tap-changing as per transformer tap changer operating guidelines for dry season

All works maybe finished ahead of time and power maybe restored earlier than scheduled, please consider our lines always energized.

Thank you for your understanding and cooperation.

Sincerely,

PATROCINIO P. PALAD
Sr. Manager, District 2, South Luzon Operations & Maintenance
