NOPSI-2022-04-007A

22 April 2022

MR. VON ERWIN G. AZAGRA
General Manager
Quezon II Electric Cooperative, Inc.
Infanta, Quezon

Dear Mr. Azagra,

Please be informed that we are scheduling power service interruption at your area, details are as follows:

Date/Day/Time	Line to be De-energized	Activity
May 17, 2022 / 0800H to 1600H	Lumban-Famy 69kV Line	a. Resetting of feeder protection at Lumban side to cover the additional line segment of QUEZELCO b. Testing of by-pass switch at Famy SS Note: Closing of By-pass Switch at Famy SS after completion of above activities to provide continuous supply to QUEZELCO during the shutdown of Famy-Comon PCB until energization.

All works may be finished ahead of time and power may be restored earlier than scheduled, please consider our lines always energized.

Thank you for your understanding and cooperation.

Sincerely,

PATROCINIO P. PALAD
Sr. Manager, District 2, South Luzon Operations & Maintenance
