NOPSI-2021-11-002

18 November 2021

MR. VON ERWIN G. AZAGRA
General Manager
Quezon II Electric Cooperative, Inc.
Infanta, Quezon

Dear Mr. Azagra,

Please be informed that we are scheduling power service interruption at your area, details are as follows:

Date/Day/Time	Line to be De-energized	Activity
November 25, 2021/ 0600H to 1800H	Famy-Comon 69kV Line	a. Preventive/ Corrective Maintenance along 69kV Sub Transmission Line b. Hotspot correction at Famy Substation c. Ground Grid/Ground Resistance Testing of Famy Load-End Station

All works maybe finished ahead of time and power maybe restored earlier than scheduled, please consider our lines always energized.

Thank you for your understanding and cooperation.

Sincerely,

PATROCINIO P. PALAD
Sr. Manager, District 2, South Luzon Operations & Maintenance
