NOPSI-2021-12-001A

03 December 2021

**MR. VON ERWIN G. AZAGRA**
General Manager
Quezon II Electric Cooperative, Inc.
Infanta, Quezon

Dear Mr. Azagra,

Please be informed that we are scheduling power service interruption at your area, details are as follows:

| Date/Day/Time | Line to be De-energized | Activity |
|---|---|---|
| **December 11, 2021**/ 0600H to 1800H | Lumban-Famy 69kV Line | a. Preventive/ Corrective Maintenance along 69kV Sub Transmission Line<br>b. Ground Grid/Ground Resistance Testing of Pole no. 153-3D and adjacent structures |
| | Famy-Comon 69kV Line | a. Preventive/ Corrective Maintenance along 69kV Sub Transmission Line |

All works maybe finished ahead of time and power maybe restored earlier than scheduled, please consider our lines always energized.

Thank you for your understanding and cooperation.

Sincerely,

**PATROCINIO P. PALAD**
Sr. Manager, District 2, South Luzon Operations & Maintenance
