NOSPI-2024-02-D2017
23 February 2024

MR. VON ERWIN G. AZAGRA
General Manager
Quezon II Electric Cooperative, Inc.
Infanta, Quezon

Dear Mr. Azagra,

This is reference to the adjustment of the scheduled shutdown of Lumban-Famy-Comon 69kV Line on February 24, 2024 as per request by customer. Please be informed that the scheduled power interruption will be adjusted as follows:

Lines to be De-energized	Affected Areas	Schedule		Activity
		Original Date/Time	Adjusted Date/Time	
Lumban-Famy-Comon 69kV Line	QUEZELCO II: Real, Infanta	February 24, 2024, 0700H to 1600H	March 3, 2024, 0600H to 1800H	NGCP Activities: a. PM/CM along the line b. Wood pole replacement by admin and by contract c. General Maintenance and Testing of HVEs d. Correction of Minimal Gas Leak on 5-CB04(5LI1LMN-FAM)LMN e. 5 Year Test Plan of Revenue Instrument Transformer
				MERALCO's Activities: a. Retirement of rotted wood pole FO5-0013-T along Paete-Pakil-Famy Diversion Road, Paete, Laguna (with lower built NGCP Lumban-Famy 69kV line) b. Installation of 2-27m direct-buried steel poles to replace rotted wood poles (FO5-0014-T & FO5-0015-T) and install post insulators to secure clearance from 69kV line. c. Transfer of idle Meralco Malaya-Caliraya-Kalayaan 115kV line to new steel poles.

For your information and reference.

Sincerely,

FLAVIANO E. MASANGCAY, JR.
OIC District 2 Manager, South Luzon Operations & Maintenance
