ENGR. VON ERWIN G. AZAGRA, PEE
General Manager
Quezon II Electric Cooperative, Inc. (QUEZELCO II)
Brgy. Gumian,
Infanta, 4336 Quezon

Dear **GM Azagra:**

This refers to QUEZELCO II's submission of its revised 2024-2033 Distribution Development Plan (DDP) and Power Supply Procurement Plan (PSPP) for its Grid Areas, to the Department of Energy (DOE) dated 16 August 2024.

Having reviewed QUEZELCO II's 2024-2033 DDP and PSPP, we found that all information is consistent and complete, thus, the DOE recommends the immediate posting of the same.

As the Competitive Selection Process E-Based Portal at the DOE website is currently off-line, QUEZELCO II is advised to post the above mentioned 2024-2033 PSPP narrative report, attached as *Annex A*, in its website **within fifteen (15) working days upon receipt of this letter** for it to be considered as the final and accepted QUEZELCO II 2024-2033 DDP. Non-compliance will void the acceptance of QUEZELCO II's 2024-2033 DDP and reversal of the same will require another acceptance, including its justification, from the DOE.

Further, QUEZELCO II shall submit to the DOE, through doe.ddpsubmissions@gmail.com, a proof of compliance of the posting of the said PSPP narrative report. Furthermore, the said PSPP narrative report shall likewise be posted in the National Electrification Administration website.

For any further clarification, you may communicate with Ms. Madonna M. Naling, Chief of the Power Planning and Development Division, who may be reached at email address *doe.ddpsubmissions@gmail.com.*

Please be guided accordingly.

Thank you.

Very truly yours,

IRMA C. EXCONDE
