MR. VON ERWIN G. AZAGRA
General Manager
Quezon II Electric Cooperative, Inc.
Infanta, Quezon

Dear Mr. Azagra,

Please be informed that we are scheduling power service interruption at your area, details are as follows:

Date/Day/Time	Line to be De-energized	Activity
February 5 2022/ 0600H to 1800H	Famy-Comon 69kV Line	a. Preventive/ Corrective Maintenance along 69kV Sub Transmission Line b. Implementation of Woodpole Replacement Project along the line c. Preventive Maintenance and Testing of associated high voltage equipment at Famy Load-End Station

All works maybe finished ahead of time and power maybe restored earlier than scheduled, please consider our lines always energized.

Thank you for your understanding and cooperation.

Sincerely,

PATROCINIO P. PALAD
